Internship (Web Development) :

To Whom It May Concern,

This is to confirm that **Ms. Zumer Niaz** has been employed with **Zytrix Technologies** as a Front-End Web Developer since May 2025. She is working under a 1-year employment contract, valid until April 2026.

In her role, **Ms. Zumer** is responsible for:

- Developing and maintaining the front-end of web applications using modern frameworks and technologies.
- Translating UI/UX designs into responsive and interactive web interfaces.
- Collaborating with back-end developers and designers to improve usability and overall performance.
- Ensuring high performance on mobile and desktop platforms.
- Debugging and optimizing front-end code to ensure a seamless user experience.
- Participating in daily standups and sprint reviews to align development progress with project goals.

Ms. Zumer has consistently demonstrated professionalism, creativity, and a strong commitment to delivering quality work. Her attention to detail, proactive attitude, and willingness to learn have made her a valuable member of our development team.

We sincerely appreciate her contributions to our projects and look forward to her continued success within our organization.

If you require any further information, please do not hesitate to contact us.

Sincerely,

M. Gulfam Asim
CTO, Zytrix Technologies
